Issue: IHMC Retirement Accounts

Proposed action: Approve Board Resolution to Allow IHMC Employees to Transfer Funds between Retirement Providers

Background information:

In 2007-2008, IHMC added additional retirement providers to allow more flexibility with regard to retirement planning.

The proposed Board action is to approve any necessary Corporate Resolutions required by the providers that would allow employees to transfer funds between IHMC Retirement Providers for the 403B and 457 plans.
